

ClassChoice Instructions for Delta Middle School

ClassChoice will be open and available to make changes after July 1, 2017.

To log in to ClassChoice, go to www.millardk12.org ~ Students and Families ~ Check Grades. Your username and password were given to you at the end of the school year.

Once logged in, click on the icon in the upper right hand side that says "Click here for ClassChoice", then click on the ClassChoice link. You will see your schedule for the upcoming school year. To make changes to your schedule, click the "Edit" button under each class period. To see when a class is offered, hover over the name of the class under your schedule or hover over the course number listed under your requests. Dropping a class may result in not being able to get back in. Availability of classes depend on prerequisites, class size limits, grade level, etc.
