ALL customers must initial each line below:

I certify under penalty of perjury:

- _____ (1) All information contained in this application is true and correct to the best of my knowledge including any assertion that I am an eligible resident of Tribal lands. - _____ (2) I or a member of my household currently receive benefits from the program checked above or have an annual household income at or below the Federal Poverty Guidelines.
- _____ (3) Frontier has explained and I understand that my household can have only one Lifeline-supported telephone or internet service. - _____ (6) I will notify Frontier within 30 days if I no longer qualify for lifeline. Specifically, I will notify Frontier if: 1) I cease to participate in the above federal or tribal program or if my annual household income exceeds the income guidelines; 2) I am receiving more than one Lifeline service; or 3) I no longer satisfy the criteria for receiving Lifeline support. I understand this requirement and that I may be subject to penalties if I fail to notify Frontier of the foregoing.
- _____ (7) I will notify and provide a new address to Frontier within 30 days of moving.
- _____ (8) Frontier has explained to me that I am required each year (or as requested) to recertify my continued eligibility for Lifeline. If I fail to do so within thirty (30) days, my Frontier Lifeline service will be terminated.
- _____ (9) I understand Frontier will share my telephone or account number, date of birth, last four digits of my social security number, and address with the Universal Service Administrative Company (USAC) and/or its agents in order to verify that I do not receive more than one Lifeline subsidy. Lifeline Application Instructions

STEP 1: PERSONAL INFORMATION

First Name:

This is the first name of the applicant. It should match the first name on your phone bill and the provided proof of benefit.

Middle Name or Initial:

The applicant's middle name or initial.

Last Name:

The applicant's last name. It should match the last name on your phone bill and the provided proof of benefit.

Service Address:

Never leave the service address blank. This is your actual home address and *not a P.O. Box*. If your service address includes an apartment number, room number, floor, or even a bed number (such as if you live in a nursing facility), please be sure to include it.

Billing Address:

If the address where you receive your bills is different than your service (or home) address, then you need to complete this part of the form.

Date of Birth:

The applicant's date of birth. Use two digits for the month, two digits for the day, and four digits for the year. For example, if you were born on January 1, 1945, you would write 01/01/1945.

Frontier Telephone # or Account #:

This is telephone number or account number that matches your Frontier bill and it must be in the name of the applicant.

Alternate Telephone # where you can be reached:

Typically, this is a mobile phone or work number where you can be reached during normal business hours in case we need to reach you concerning your application.

Social Security Number or Tribal Identification Number:

For most states, we require only the last 4 digits of the applicant's social security number, or Tribal identification number. For some states, the application will indicate that all 9 digits are required.

STEP 2: ELIGIBILITY ... COMPLETE PART 1 OR PART 2

Step 2 of the Lifeline application identifies your eligibility for the Lifeline program. You must complete either Part 1 or Part 2, but not both.

Part 1: Program-Based Eligibility

If you participate in one of the government assistance programs listed on the application, simply check the box next to the program name. If you participate in more than one of the programs, check only one of the boxes because you need only participate in one program to be eligible for the Lifeline benefit.

You must provide proof of your program participation by sending a copy of a benefit statement, notice letter of participation in a qualifying program, program participation documents, or other official participation document for the program you checked in Part 1. Benefit cards that include name of beneficiary, name of program, and state of residence are accepted as

proof of program participation, but if the effective date on the card is more than a year from the date of your application, you will need to show another form of program participation with your Lifeline application.

Remember, you must check the box next to the program you participate in and then include the proof for that program with your application or your application will be considered incomplete.

If you send your application by mail, please send only photocopies. Originals will not be returned.

You may provide proof of program participation in the name of someone who is a member of your household (and is living with you) so long as that person is not already receiving Lifeline benefits from Frontier or another provider.

If your program proof *is not* in your name, you **MUST** complete the special certification box located directly under the list of eligible government programs. Be sure to check the box next to the words "I certify that ..." and then fill in the name, date of birth, and last 4 digits of the social security number (or Tribal ID) for the person whose name is on the proof document.

Part 2: Income-based Eligibility

Even if you or any other member of your household does not participate in one of the government assistance programs listed on the application, you may still be eligible for the Lifeline program if your annual household income is below the level listed on the application for the number of members living in your

household. If your eligibility is based on income, check the box next to the number "2." You must provide proof of income by sending a copy of one of the following documents:

- Your most recent state, federal, or Tribal tax return
- Current income statement or W-2 from an employer
- Paycheck stub (3 consecutive months)
- Social Security statement of benefits
- Veterans Administration statement of benefits
- Unemployment or Workers' Compensation statement of benefits
- Federal or Tribal notice letter of participation in General Assistance
- Divorce decree
- Child support award
- Other legal document that shows your total current household income.

If your documentation does not cover a full year of income, you must present the same type of documentation covering 3 consecutive months within the previous 12 months, such as 3 consecutive months of pay stubs. Bank statements are not accepted.

Please send only photocopies.
Originals will not be returned.

Number of people living in your household:

Remember, a household is anyone who lives together at your address and shares in the income and expenses of the household (including children and people who are not related to you). For example, if you live alone, the

number of people living in your household is 1. If you live with a spouse or domestic partner and no other children or adults, the number is 2.

Please be sure to enter the number of people living in your household in the box next to the red arrows.

STEP 3: TRANSFER CONSENT

Initial this line if you authorize Frontier to transfer any pre-existing Lifeline discount with another carrier to your Frontier account.
